### TO THE ATTENTION OF THE FINAL YEAR UG AND PG STUDENTS

**The applications are invited for the Luminary Award 2026.** The luminaries are chosen through a multi-tiered screening process that prioritises the academics, attitude, social commitment, ingenuity and environmental consciousness of the candidates. The Luminary Award is a coveted recognition given to carefully chosen outstanding final year students every year. Ever since its inception, the award has become a much sought-after dream of the students.

#### Eligibility Criteria:

- The applicant should be a **final year** UG or PG student of the college.
- The applicants should have a **minimum average of 70% marks (both UG & PG applicants)** in the semester exams they have appeared till now. The applicant need not require this minimum percentage in each semester exam; it is the average percentage of marks the applicant has received in all the semester exams they have attended. **The applicants should have cleared backlogs, if any.**
- **The applicants should not have been subjected to any disciplinary action in their tenure as students of this college.**

#### Application Procedure:

- The candidates could obtain the guidelines in preparing their dossiers from the college website. Download the dossier and modify it to showcase your credentials without removing or editing the questions already there in the dossier. The application should be authenticated by the respective head of the department and class mentor.
- **Dossier is an important criterion in the screening process.**
- The interested candidates should submit their dossiers to Dr. Jerin B. Sebastian (HRD Coordinator, Dept. of English) or Ms. Sherin Pious (Asst. Coordinator, Dept. of Commerce SF)
- **Last date to apply-**
- **21/01/2026 (Wednesday) before 3 pm.**

#### Selection Procedure:

- A committee will be formed to review the dossiers submitted by the candidates.
- Shortlisted candidates will have to undergo a multi-tiered selection procedure including the Dossier Round, Group Discussion, Interview, and Grand Finale (an exhibition of skills and talents in a public performance).
- The luminaries will be selected based on the scores they have obtained in the entire process.

Luminary Award is a prestigious recognition and a great opportunity for students to showcase their skills and talents. We encourage all the eligible students to apply for this award.
